

## Psalm 129

- 1 Song of the ascents. Many times we have been attacked from my youth, let Israel say.
- 2 Many times we have been attacked from my youth; surely they will not consume me.
- 3 Upon my back plowers plowed their long furrows.
- 4 The LORD is righteous. He cuts (*the*) cords of (*the*) wicked.
- 5 They will be shamed and turned back all who hate Zion.
- 6 They will be like grass on rooftops which dries before it shoots up;
- 7 that (*with*) which a reaper does not fill his hand and garment-fold from a sheaf.
- 8 And those who cross over do not say: “(*The*) blessing of the LORD to you.  
We bless you in (*the*) LORD’s name.”
